

# INTERNATIONAL RELOCATION SERVICES AND REFERRAL NETWORK

Coldwell Banker Florida's Relocation Division is your home's "window" to thousands of active buyers throughout the United States and abroad. Our fully staffed division is aligned with a network of the nation's top real estate and relocation companies. **Our largest relocation resource, Cendant Mobility, represents more than 50% of all national relocation business, with over 100,000 annual transfers internationally.**

We work with more than 2,100 corporations and relocation companies across the country to assist and ensure that employees have smooth transitions into their new homes and communities. Referrals from these relocation resources provide us with qualified buyers who will be among the first to learn about your home.
